Dear Connie,

At its most recent meeting, the LAGB committee decided to solicit information from its representatives on various bodies (NCLE, CLIE, NCML) as to what, if anything, has been happening over the last 12 months on their respective congress, committee or council. If anything which might be of interest to the membership has happened on CLIE, then I would be grateful if you could let me know, and I will exhibit your reply on the notice board at the Sheffield meeting.

Many thanks,
Best wishes,

Gerald Gazdar,
Secretary, LAGB.
