Dear Ms Cameron,

Thank you for your letter and the copy of CLIE's response to the Proposals for English. Your response is included in the consultation process and will be analysed along with others. NCC is revising the proposals in the light of these responses and the Secretary of State's remit.

A report on the consultation is also being prepared and, together with the revised proposals, will be sent to the Secretary of State at the end of September.

You may be aware that in view of Sir Ron Dearing's further work the timetable for implementation of revised Orders for English has now been deferred.

Some time ago CLIE contacted me with a view to NCC representation on your committee. As you may know NCC is now to be disbanded and SCAA takes over its functions. I have been appointed to the new body, so if you still want to improve links between CLIE and NCC/SCAA please do not hesitate to contact me.

I look forward to hearing from you.

Yours sincerely,

Sue Horner
Professional Officer for English
