

# The Committee for Linguistics in Education

## Diary of relevant events in the UK

last changed 8 June 2004

If you know of any events which are relevant to linguistics in education, please send details (in electronic form) to [Dick Hudson](#).

### 10/04 BAAL/CUP Seminar

- Place: University of Birmingham
- Topic: Translation policies and practices

### 31/8/04 LAGB 2-hour session

- Place: University of Surrey, Roehampton; further details on the [conference announcement](#).
- Topic: "Teaching linguistics to students of Modern Languages"
- Speakers: Paul Rowlett (Salford) and Florence Myles (Southampton).
- Time: 2.00 - 4.00
- Registration: not needed if you're just attending this session.

### 21-22/6/04 BAAL/CUP Seminar

- Place: Pathfoot Building, University of Stirling
- Topic: "Researching community languages: educational and social perspectives "
  - What are the latest developments in research into the learning, teaching and use of community languages?
  - How can we most effectively use research findings about community languages for social intervention?
  - Should there be a BAAL Special Interest Group for Community Languages?
